Re:	Counting of Days

COUNTING OF DAYS

When notice is to be given within a defined number of days before a specified event, the deadline includes the last day.

Example: Notice of EDA General Meeting

EDA General Meeting Notice

"Notice of at least twenty-eight (28) days" must be given to every Registered Liberal residing in the riding. To calculate the meeting date, do not include the date Notice was given, but do include the 28th day.

In this example, where an EDA General Meeting is called on August 2nd, the earliest possible meeting date is August 30th.

Intent to stand

A Registered Liberal wishing to stand for an office to be elected an EDA AGM must submit a notice of their intention to stand for such office "not later than fourteen (14) days prior to such Electoral Event." In this example, for an EDA General Meeting held on August 30th, the Intent to Stand cut-off is August 16th.

Eligibility to Vote at an EDA General Meeting

"All Registered Liberals who are registered not later than seven (7) days prior to the occurrence of such Electoral Event will be eligible to vote." In this example, for an EDA General Meeting held on August 30th, the voter cut-off is August 23rd.
