

**Doly Begum**

*Liberal Candidate for Scarborough Southwest*

Doly Begum is an accomplished community leader who was first elected to represent Scarborough Southwest in the Ontario Legislature in 2018. She most recently served as the Deputy Leader of the Ontario NDP and Shadow Minister for Public Transit.

Doly has deep roots in Scarborough Southwest. She understands the priorities of workers and families in the community, and has spent her career fighting to make it a better place — championing affordable housing, better public transit, and safer neighbourhoods.

Prior to her election, Doly served in leadership roles in various local organizations, including as Co-Chair of the Scarborough Health Coalition and Vice-Chair of Warden Woods Community Centre. She graduated from the University of Toronto and earned a Master's degree in Development, Administration and Planning from University College London.

As the next Member of Parliament for Scarborough Southwest, Doly will be a strong voice for the community in Parliament, working tirelessly with Mark Carney and our new Liberal team to bring down costs, grow the local economy, and build a better future for everyone.
