Chantal Soucy
Liberal Candidate for Saint-Hyacinthe–Bagot–Acton

Chantal Soucy is an accomplished community leader and parliamentarian who represented the people of Saint-Hyacinthe in the National Assembly of Québec for more than 12 years, including eight years as Vice-President of the National Assembly.

Chantal is a staunch defender of her region's interests, with a proven track record of advancing local priorities like infrastructure, housing, and agriculture. During her 12 years as a Member of the National Assembly, she helped bring numerous projects to fruition and secure significant investments for her region. A results-driven leader, she now aims to bring that experience to Saint-Hyacinthe–Bagot–Acton to support our local businesses, create good jobs, and meet the needs of our communities.

Chantal has also been deeply involved in defending and promoting women's rights, notably as President of the Network of Women Parliamentarians of the Parliamentary Assembly of the Francophonie. In recognition of her commitment to the Francophonie, she was awarded the Order of the Pléiade at the rank of Knight in 2024.

As the next Member of Parliament for Saint-Hyacinthe—Bagot—Acton, Chantal is ready to work with Mark Carney and our Liberal team to build a stronger future for communities across the region, for Québecers, and for all Canadians.
